Annual Reports list

Technical description

1 Introduction

The product **Annual Reports list** delivers a list of those Annual Reports it is possible to download as PDF and/or Excel. Interim reports are listed if they cover another period than the whole year or if the full year report has still not been received. In other words, where the same period occurs twice only that report which refers to the whole year is listed.

1.2 2024-02-08 Added support for Xhtml-files
